

Get the Scentsy you need and help Operation WildLife at the same time!

Operation WildLife is the largest publicly funded wildlife clinic in Kansas and cares for thousands of orphaned and injured wild animals every year. OWL is funded entirely by donations and volunteer efforts. I have partnered with OWL to offer a fantastic fundraising opportunity! Anything and everything Scentsy can be purchased and 20% of the sales will be given back to this great cause. Fundraiser lasts now through September 30.

Orders placed now through August 31 will be from the **Spring & Summer** catalog.

- Almost everything is 10% off!
- Diffusers can be purchased with an extra Evoke or Instill shade for FREE + the 10% off! **A \$60 savings.**

Tribute Warmer

As part of this fundraiser with OWL, the director has come up with a tribute warmer to Ms Moose. Ms Moose was OWL's public education Bald Eagle for over 20 years. She helped educate the public about the species and show support for our military personnel and veterans. She touched many hearts and has left over a million spectators in awe of her beauty and grace. Ms Moose was retired a few years ago and passed peacefully the night of December 1, 2015.

Tribute Warmer Details:

An image of Ms Moose will be produced using a special printer that prints directly onto the frosted glass plate. The warmer comes in either black or white with a current Scentsy bar of your choice for \$30. I will donate \$5 from each warmer. You must contact Courtney Saunders for this portion of the fundraiser. All orders will be processed through her and mailed to our main facility where they can be picked up at the facility or receiving center.
